

## DEVlrail™

DEVlrail™ is a towel drier that is ideal for bathrooms, kitchens and utility rooms. It is also a great solution for hotels.

The towel drier is a low energy product that uses no more current than an ordinary light bulb.

The design of DEVlrail™ is simple and looks good with all kinds of interior design. It is available in three sizes in both chrome and white.

### Benefits:

- Low energy consumption
- Simple design
- Easy to install
